

THE HAMPTON

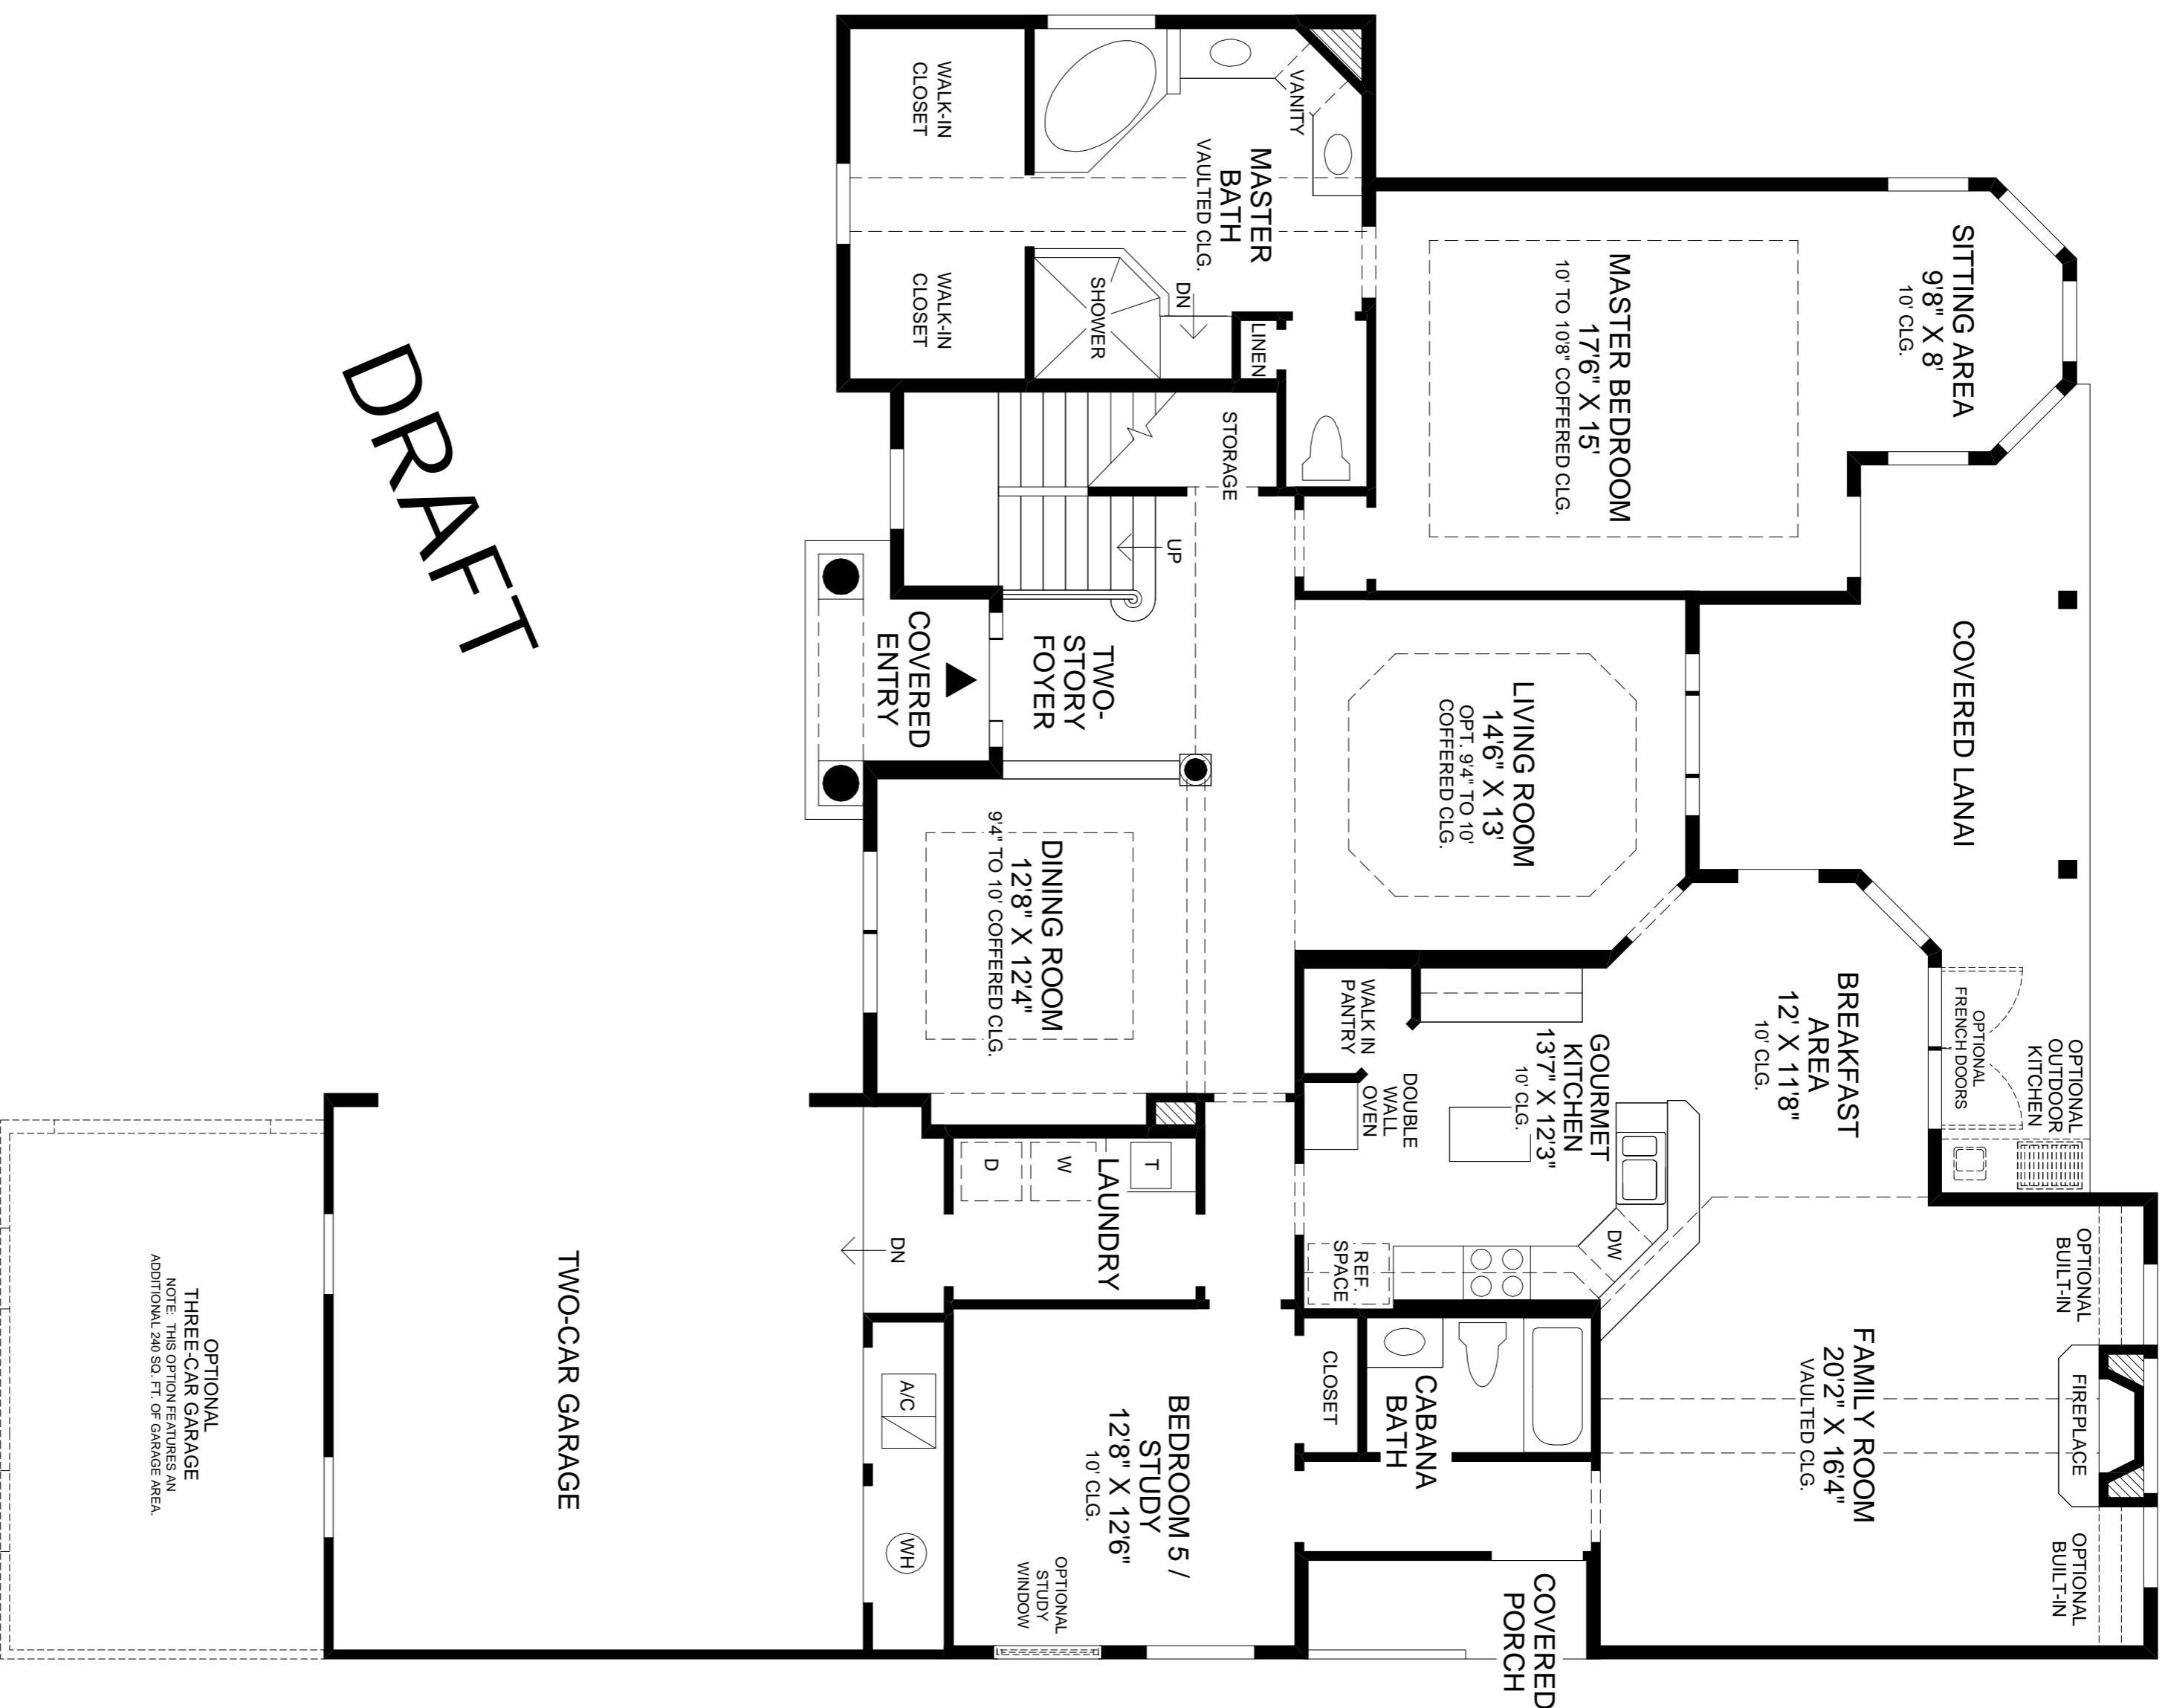

An inviting two-story foyer leads to the elegant formal living and dining areas and is accented by a grand wrap around staircase.

The well-equipped gourmet kitchen boasts a center island, a walk-in pantry and a raised snack bar that overlooks a sunlit breakfast area that has direct access to the covered lanai and an expansive family room with a custom fireplace and vaulted ceiling. This wing of the home also includes a secondary bedroom and a cabana bath with convenient access to a private side yard entry.

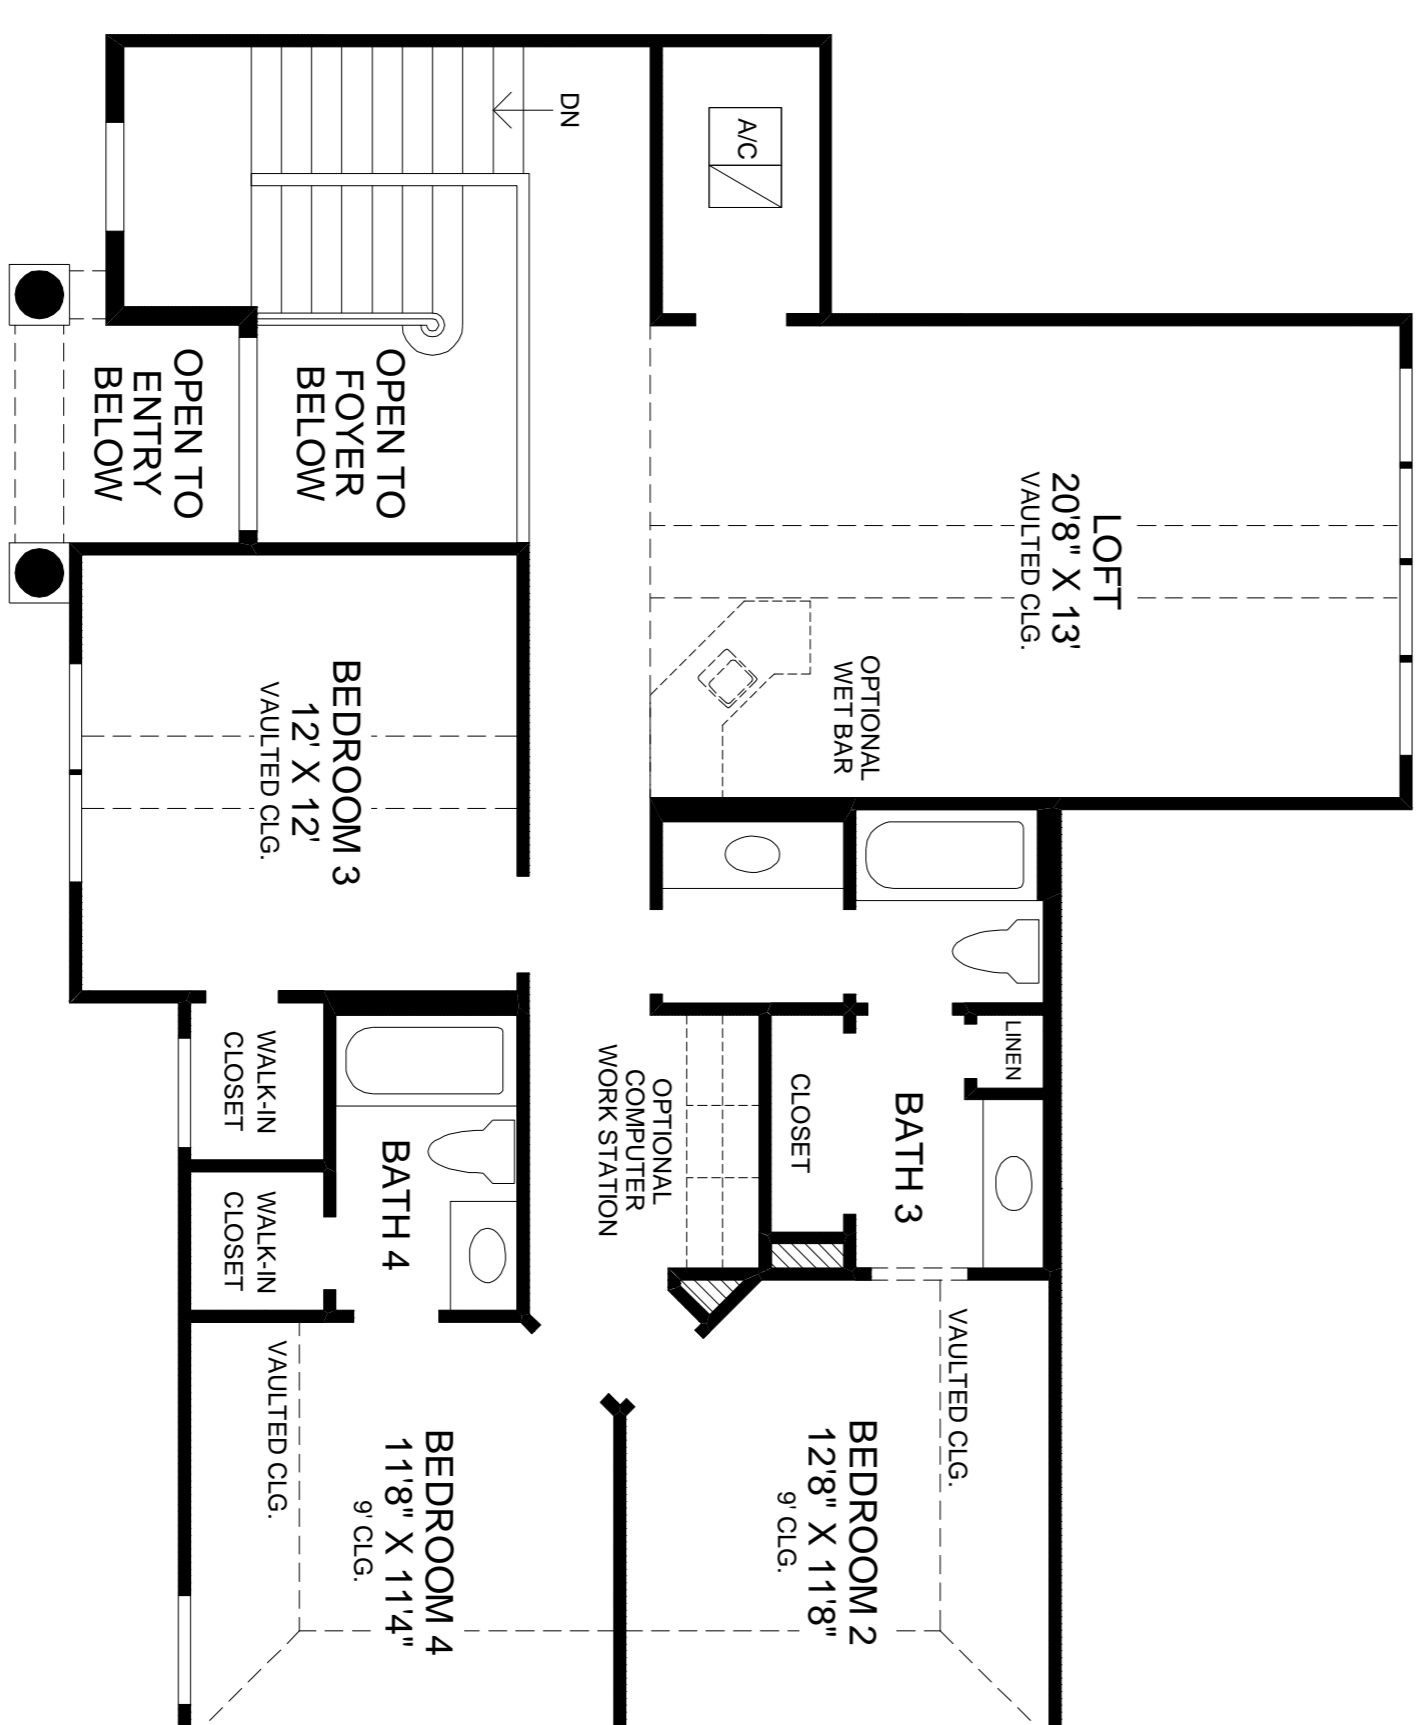

The master bedroom suite, in a private wing of the home, features access to the covered lanai, large sitting area, beautiful coffered ceiling and a luxurious master bath with split plan walk-in closet, his-and-her vanities, Roman tub, separate shower, and private water closet.

A spacious second floor loft overlooks the foyer below and leads to three additional bedrooms and two baths. Other highlights of this home include a separate laundry room and a two-car courtyard garage.
